**Limited Review Report**

To,  
The Board of Directors,  
**East Coast Steel Limited**

1. We have reviewed the accompanying statement of unaudited unconsolidated financial results of **East Coast Steel Limited** for the quarter and half year ended 30<sup>th</sup> September, 2013 except for the disclosures regarding 'Public Shareholding', 'Promoter and Promoter Group Shareholding' and undisputed number of investor complaints which have been traced from the confirmations received from the share registrars and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited unconsolidated financial results prepared in accordance with recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting", notified pursuant to the Companies (Accounting Standards) Rules, 2006, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.
